

"No time to slow down"

Ellivuori Resort is located in a picturesque setting, surrounded by beautiful nature and the stunning waters of the Kokemäenjoki river network. Ellivuori offers accommodation, functions and much more in a convenient, central location! Ellivuori is just over 30 minutes' drive from Tampere, less than an hour from Pori and under two hours from Turku and Jyväskylä. Ellivuori can be reached via road numbers 41 and 59.

Ellivuori Resort

Ellivuori Resort offers different levels of accommodation at Hotel Ellivuori as well as rental cottages and apartments. The area boasts a wide variety of exercise and leisure opportunities, the beautiful nature and stunning waters providing the setting for many activities and for simply being at rest. Our area is perfect for those who enjoy nature and exercise.

Hotel Accommodation

Hotel Ellivuori has 56 rooms. The rooms are all double rooms, and capacity can be increased with additional beds. There are also currently around 50 beds available in rental cottages and apartment accommodation. Campers are also well catered for, as Ellivuori has a dedicated area for caravans and camper vans. The camping area has its own sauna, toilets, showers, water and sewage facilities – everything visitors need, and of course the services of the hotel right next door. The Ellivuori area is developing rapidly, with accommodation capacity set to increase by many hundreds of beds over the coming years.

Rental Cottages and Apartments

Ellivuori offers accommodation in cottages, ideal for groups of 4-6 people. There are also a number of apartments, all located within the hotel premises and with access from inside the hotel. All the accommodation facilities at Ellivuori are easily accessible by car, with parking near the entrance. The distances are short, with almost all external accommodation within 500 metres of Hotel Ellivuori.

Restaurant Services

We offer a buffet lunch and à la carte service every day. Hotel Ellivuori is fully licensed. Catering services are also available to order for functions and meetings in our functions spaces and saunas.

Saunas

A number of different rental saunas are available for relaxing and functions at Ellivuori. A smoke sauna by the beach, wood-fired saunas and function spaces with saunas are ideal for any sized groups – from a small group of friends to sauna evenings with dozens of people. Catering and bar services can also be ordered to the saunas.

Autoglym Test Rally 14.-15. of July 2017

Traditional Finnish rally event organizer PR-Racing is offering again in summer 2017 a proper testing event with demanding and fast gravel roads.

Autoglym Test Rally will be run near Tampere and event is using the famous gravel stages of WRC Rally Finland from the past.

Rally route covers total of 8 stages and 110 SS kms with 4 stages driven twice. Longest stage will be 21 kms. Roads are mainly fast and hard-surfaced, but there are also total of 25 kms of smaller and narrower roads.

During the rally there will be 5 service breaks in Rally HQ Ellivuori. The event has good service options and offers great testing event for both professional teams and private drivers, including also shakedown stage before the rally.

In the Ellivuori area there are nice hotel rooms and rental cottages available. The accommodation to the area needs to be booked by the end of May 2017.
