

# Autoglym Rally Finland

2.-3. of July 2021

Traditional Finnish rally organiser PR-Racing is offering again in summer 2021 an ideal testing event with demanding and fast gravel stages.

Autoglym Rally will be run in Kangasala – Kuhmalahti area. Event is using famous gravel stages of WRC Rally Finland from the past.

On Saturday 3.7. the rally route covers total of 6 stages and 80 SS kms with 1 stage driven twice. Recce is on Friday 2.7.

Organiser is offering proper shakedown (3,8 kms) stage on Friday 2.7. Shakedown is part of the stage which will be driven on Saturday.

During the rally there will be three service breaks in Sappee, Pälkäne which locates in the middle of the rally route. Sappee area offers also suitable accommodation for your team.

Autoglym Rally offers great testing event for both professional teams and private drivers and we have classes for all national and international competitors.
